## Koh Tao Sailing Safari

The spirit of the journey

**T**he best escape for a group of friends who wish to spend a long weekend together: 2 nights, at arrival and before departure, in one of the best hotels in Koh Samui and a 3 day/2 night sailing safari to discover Koh Tao's under and above the water beauties. Get on board, this is a break, Classy Frontiers style, that you'll all love! This break is designed for 6 people sharing accommodation on land and on the sailing yacht.

## Arrival | Silavadee Pool Spa Resort

At your arrival at Samui Airport a mini van will be waiting to get you to one of the nicest hotel on the island: the Silavadee Pool Spa Resort. Located on a secluded hill overlooking the Gulf of Siam at the South East coast of the island, the Silavadee is perched on the semi-private Laem Nan Beach, between Chaweng and Lamai Beach, the most beautiful rock beach on Koh Samui. The resort's design is inspired by the original land itself: layout and buildings have been integrated in the native landscape and foliage as much as possible. Facilities at disposal in the hotel include: an ocean facing infinity pool with pool bar service; kayaking and snorkelling equipment; the height restaurant serving gourmet Italian, Thai, and Seafood dishes on an ocean front terrace and with a selection of premium wines; the wine and cigar lounge; 24 hours in room dining service; and a fantastic wellness spa. Check in your 3 Jacuzzi Deluxe Rooms offering 50 sqm of space divided in a spacious bedroom, bathroom with separate shower and bath tub, and private balcony with an individual outdoor terrazzo sunk-in Jacuzzi .

## 3 Days, 2 Nights Sailing Adventure to Koh Tao

Today your sailing safari begins: get picked up in the morning by an air con mini bus and head off to a 3 days sailing adventure that will show you the very best of Koh Tao's under and above the water environment. Get on board and meet the crew before being given a nice tour of the catamaran and its history from your experienced skipper. Sail off to Koh Tao, located at about 35 nm north of Koh Samui (sailing time depends on wind condition). You can get involved and help sail the boat, taking the helm, pulling up the mainsail or you can sit back and enjoy fruit and

drinks while the crew does all the work. Lunch will be served on board as well. Upon arrival at Koh Tao you'll be taken to a nice little bay anchoring up right off of the most beautiful coral reef to get your first snorkelling session. When you'll get back on the yacht you'll enjoy a excellent dinner accompanied by very good beer and wine (all included in the package). On the next day go visit the most beautiful spots on the island before lifting the anchor in the afternoon for some snorkelling with black tip ruff sharks and a mind blowing sunset cruise in the waters of the Gulf of Thailand. Finally, on the last day you'll set course back to Koh Samui, stopping at great bays on the east side

of Koh Phangan for lunch and swimming. Get back to Chewang beach right in time for another amazing sunset and a nice cold beer on the beach. Breakfast, lunch and dinner are included for all three days along with soft drinks, beer and wine. The minibus will be waiting to take you back to the Silavadee for your last night on the island. Transfer back to the airport is included on the day after accordingly to your flight back home.
